Subject: Adoption of DSR'2007, CPWD Works Manual 2007 and DPAR 2007-reg

Upon creation of P&T Civil Wing, guidelines were issued vide letter No. 13(13)63-A&C/89 dated 9th July 1963 for applicability of the CPWD Codes, Manuals, Procedures in the P & T Civil wing. The instructions were issued vide letter No. 4-10/97-A&C (vol. II) dated 23.12.2003 for adoption of CPWD Works Manual/Codes/Procedures in P&T Civil Wing. Accordingly, CPWD Works Manual (formerly known as CPWD Manual Vol. II) with upto date amendment and to be followed in BSNL retrospectively from 01.10.2000 as prevailing in the earstwhile Department viz P&T/D.O.T./D.T.O./D.T.S. except any specific instructions issued by this office.

The CPWD has released DSR-2007, Works Manual 2007, DPAR 2007 and Analysis of Rates for Delhi 2007. It has been decided by the competent authority that these documents be adopted for Civil Works in BSNL except that the contractors profits and overheads shall be limited to 10% instead of 15%. This is in view of the fact that in DSR 2007, contractors' profit and overhead to the extent of 15% are inbuilt in the rates.

Therefore while working out Detailed Estimate based on DSR 2007 and using Analysis of Rates for Delhi 2007, the contractor's profit and overhead be adopted as 10% only. Accordingly a reduction factor of 110/115 may be applied on all the Detailed Estimates based on DSR 2007.

This is issued with the approval of the competent authority.
